About us

We are an Independent or Congregational church. This means we are run by our members, not a denomination or bishop. We try and be faithful to God's word, the Bible, in all belief and conduct.

Christians

We don't believe people are born Christians; we become one by admitting our sinfulness to God and understanding that Christ's death on the cross was on our behalf. We believe He rose again from the dead as we shall one day.

Recordings

Most sermons are recorded and placed on the website.

Refreshments

These are available in the upper room at the close of every service.

Toilets

We have a toilet inside downstairs and two outside.

Fire or Evacuation

Please make your way out through the nearest exit and assemble on the grassed area to the chapel's eastern side.
